The modules operational under MIS are as given below: 1) Admission: Admissions are invited both through Online and Offline means. The students fill Admission forms given in the prospectus and submit the same in the office along with the required documents. The forms are scrutinized by the Admission Committee of the college that rectifies and recommends the forms for the admission. We have a system of First Come First Serve admission policy. The Admissions are closed once the intake capacity is full after which the final list of the admitted students is displayed on the Notice board. Apart from that, a subject wise list of the admitted students is also displayed and circulated to the respective subject teachers. 2) Administration: The fees from the students are collected and slips of the admissions are provided to the students by the concerned admission body and clerks. Separate Counters have been made available for the admission process to make the hustle and bustle of admission process quiet easy. The work related with finance such as collection of various fees from students, collection dues etc., are done with the help of MS Office. 3) Correspondence: All official and</p>

nonofficial correspondences are carried out either online or through the means of Computers and Internet. We have an online facility for sending and circulating all Letters, Emails, Payroll, Salary Bill. The salary bills of Teaching and NonTeaching staff are prepared using Sewarth Online System as recommended by the higher and technical education, Government of Maharashtra. The other concerned works like salary Certificates, Arrears, PF and IT deductions, Insurance Premiums, House Loan, Vehicle Loan are carried out. 4) Examination: Every Year, any one of the staff members is deputed as External Supervisor as per the guidelines of the Exam Department of the University. Submission of online marks, examination forms and other exam related work, downloading and printing of the question papers, etc., are also carried out and separate counter is allotted for the same. All preparations of the examination halls, preparing due list of the examinees, seating arrangements, supply of drinking water and other amenities along with the Police Bandobast is taken care by the office incharge of the examination. 5) Library: We have a computerized system of issuance and return of the books. CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

The Institute follows strict measures of carrying out the effective delivery of curriculum. At the beginning of the session, an initial planning of the curricular and co-curricular activities and programs is chalked out in form of Academic Calendar. In order to get the best results and overall development of the students, care is taken by the institute to actualize the planning made for the purpose and to meet the outcomes of the various subjects taught. A Meeting is convened by the Principal to inform the teaching staff to prepare his/her own Yearly Teaching Plan and individual Time Table as well as to maintain

Attendance records of the students. The workload in every subject is distributed among the teachers and the classes are also divided among them. The use of PowerPoint Presentation and Projector is encouraged along with the traditional method of teaching. It is compulsory for every teacher to prepare their subject-wise Yearly and Daily Teaching Plan as per their syllabus and the schedule of the teaching. Teachers plan topics in Teacher's diary, mark presence in the attendance register, conduct unit tests, give assignment questions for internal assessment and/ or award marks based on regular unit tests/ assignments/ attendance/ seminar reports. Dairies of daily teaching topics were maintained by the faculties which are checked up at the end of every month by the IQAC coordinator and the signature of the Principal is also sought. The Teachers also prepare their individual Workload (monthly), Timetables and subject-wise event planning so as to be able to carry out their curriculum objectives. In practical examination the marks are awarded based on assessment of answer-sheet, practical and viva voce by the examiners and online marks are filled in. Often, teachers engage extra classes for the completion of the syllabus, and also provide extra time for late admitted students. Simultaneously, the faculties have with great care prepared their department-wise planning of practical, field works, and educational tours. Tests of the taught part of syllabus were held every month by the teachers concerned in order to assess the knowledge acquisition of the students and due reports had been submitted to the IQAC department and Principal in the meetings convened for this special purpose. Every department chalked out their examination dates and result analysis, question banks and test papers, etc for the curriculum of the session. The IQAC coordinator and the Principal discuss the result analysis of the Test exams of every subject and guided the teachers accordingly. The IQAC department of the institute was all over the year on the watch to see whether the planning of the academic activities is carried to fulfillment and the delivery of the curriculum is done effectively to beget desired results. At the end of the session the faculties were asked to submit their documentations regarding the Attendance register, daily dairies, Yearly and Monthly teaching plans, examination timetable and result analysis to the IQAC department.

Students	Yes
Teachers	Yes
Employers	No
Alumni	Yes
Parents	Yes

1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

Feedback Obtained

The Institution has a structured mechanism of obtaining feedback from the stakeholders. The students are encouraged to submit their feedback both through online and offline modes with a view to utilize the feedback data to bring some constructive changes and provide more amenities in the college. An Online Feedback form is made available on the website of the institute in order to facilitate the students and the alumni who live in remote areas or other districts to submit their responses. Besides the feedback of the regular students are taken at the end of every session. After obtaining the students' feedback, a thorough analysis is done by the concerned teacher and the report is put up before the Principal in a special meeting convened for discussing the results of the report. The Principal takes care of the problems and difficulties mentioned by the students in the feedback form and decided measures of removing the same. A special care is also taken to fulfill the needs and requirements of the students expressed by them in the feedback form. The IQAC department and the Parents and Alumni Committee organize jointly organize a Parents Meet every year and invite the parents of the regular students and alumni. The views, suggestions and responses of the parents are heard and collected in the Meet in form of feedback forms. These responses are discussed thereafter by the Principal in presence of the IQAC departments and members of the Parents and Alumni Committee in a meeting convened by the Principal for this special purpose where the analysis report of the same is presented before the principal and the key suggestion and issues are contemplated. Decisions are taken to fulfill the valuable suggestions of the alumni and sort out the issues if there are any. Likewise, the Meet of the Alumni is organized by the same departments at the end of every session and ex-students of the college are invited to share their experiences and opinions regarding various amenities and institutional weaknesses. The Alumni are given opportunity to express their thoughts and narrate their experience before the regular students so that the freshers may be inspired and follow the footsteps

of their successful seniors. The views and suggestions of the Alumni students are valued very much by the college and so the same are utilized by the institution for bringing about constructive changes and improvements in the students related amenities. In the special meeting convened by the Principal to discuss the analysis reports of the feedback, the suggestions and views of the alumni are discussed and decisions are taken to actualize the same.

2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

The institute has a mechanism of conducting regular internal terminal exams twice during an academic session. Apart from this, it is a custom in the institute to hold two tests prior to Diwali Vacation and two tests after the same before the Summer Vacations. To check the knowledge of the students on the taught topics, continuous class-wise and unit-wise tests (Verbal/Written) are conducted. For that, the faculties design the test papers on the taught portions and evaluate the knowledge gain of the pupils from the results of the tests. The weaknesses and the difficulties are paid special heed in the process, so that attempts will be made to remove those weaknesses and difficulties to improve the performances of the pupils. Likewise, half of the portion of the syllabus is dealt with in the first and the other half is taken for the second terminal exams, which are held semester-wise in the session. The result of the first terminal examination is strictly evaluated by the principal and suggestions are given to the faculties to take pains to improve the knowledge gain of the students and run some remedial classes if necessary. The same is followed during the second terminal exam. The optional subjects like Political science, Sociology and History annually hold subject seminars on selected topics. Further, after the declaration of the second terminal exam result, subject-wise one day workshop is held for the students to make them fully aware about the pattern of question paper designed by the university.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

In the very beginning of the session, a meeting is held regarding the planning of Academic Activities for which the faculty members are instructed to design the academic calendar of their respective departments in which to be included curricular activities. As per the guidelines by the Head of the institution, each and every department prepares academic calendar with all the details regarding the taught material and the evaluation of the same to test the gained knowledge through unit tests, term exams, viva voce, seminars and presentations, etc. Total four unit tests are taken by the faculty, two before

Diwali vacation and two after the vacation. One term exam at the end of the session is held with an objective of preparing the students for the final exam. The answer books of the term exam are evaluated and distributed personally in the classroom to the students. The quality of the performance of the students in the term exam is monitored. The students discuss their problems with their teachers and clear all the doubts and confusions regarding the taught material. The results of all the four tests are analyzed by the concerned department and IQAC and after each tests, the weaknesses of the students are given special heed so that they may be removed or corrected. The same process is undertaken after the annual terminal exam and simultaneously exam papers are explained and guidance on how to solve question paper is given to the students.

5.3.2 – Activity of Student Council & representation of students on academic & administrative bodies/committees of the institution (maximum 500 words)

As Per the directives of the RTM Nagpur University Nagpur, the selection of the members of student council was held in the month of September, 2015 in the presence of Principal and senior staff members of the institution on the basis of highest marks scored in the last university exam. Regarding the selection prior intimation was given to the students and two meetings were held. The students elected for the class representation during the session 2017-18 are Ku. Pornima A. Bisane (BA, Sem-I(A)), Ku. Dipali W. Budhe (Sem-I(B)), Ku. MADhumala Tondfade (BA-II), Ku Rajni Rahangdale (BA-III). For college representation in university, Ku. Ku Rajni Rahangdale (BA-III) unanimously elected. Ku. Alisha Barve, Ku Reshma Burade (NSS) Ku. Apeksha Lanjewar, Ku Mamta Halmare (Sports Department), Ku. Rajni Rahangdale, (Cultural Department) were elected in the body. The student council body is involved in organizing and carrying out various programs such as Yuwa Mahotsav, Birth Anniversaries, Death Anniversaries, Co-Curricular activities such as Debate, Elocution, Essay competition and the programs conducted by various departments of the college and the guest agencies with the help of other students and staff members. The NSS representatives from the Student Council conduct programs taken by Tumsar Tahsil, Water Supply department, Government Hospital, Nagar Parishad, Pulse Polio Drive, Election related work, Independence and Republic Days, related cultural programs, etc. The other specific areas in which their help is rendered are college library, medical emergencies etc. Cleanliness drive is conducted on special occasions like National Festivals. Members of the Students Council also encourage the other students who are interested to take admission in college. The Council shoulders the responsibility of taking initiative and encourages the students of to be a part of each and every activity of the college very enthusiastically. The Body helps to organize the Foundation Day of the College which is the first main event in the session in which all the students are encouraged to take active participation with full zeal. Along with mock teaching, Funfair is organized every year in which stalls of the delicacies are arranged by the students, especially the Home-Economics students to be enjoyed by the invited parents and guests from local area, management body, staff members and the students. It is the best regular practice of our institution. Apart from this, Yuwa Mahotsav is one of the most awaited events for the student council and for the fellow students as well. A number of cultural and sports activities like Running, Cycling, Long Jump, Short Put, Kho-Kho, Kabaddi, Mehendi Spardha, Kesh-sajja Spardha, Picture Competition, Rangoli Competition, Fashion Show, Solo and Group Dance Competition, Singing Competition and Skit Competition are organized by the students council. CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

At the outset of the session, a general staff meeting was convened by the Principal in which different college committees are formed with a view to decentralize the curricular and extra-curricular work as per the need and necessity of the institution. The convener and co-conveners worked out the planning for their respective departments for the year and discussed the findings with the principal. Accordingly, they worked together to chalk out an Annual Calendar of their respective departments enlisting all the programs and activities for providing the quality extra-curricular experiences to the students. The different departments organized various programs and activities under the guidance of the Principal in order to carry out and to implement what has been finalized in the Annual Calendar. The students were informed prior to the programs through the notices displayed on the Notice Board as well as through the dispatch of the Notice in every classroom. All departments conducted programs and activities with the help of students council and volunteers of the NSS department so that the all the stakeholders of the institute could easily participate and involved for the success of the same. After every activity or program, the Head of the concerned department prepared a thorough report on the conducted program and submitted the same to the Chief of the IQAC department. On special occasions like the Foundation Day of the Institution, Yuwa Mahotsaw, National Festivals and Prize Distribution, the other stakeholders like the eminent corporate personalities, successful Businessmen, NGOs and the members of the Management Body were invited to shed light over their life journey and achievements and guide the students. Few eminent stakeholders have also declared cash prizes for the excellent performances in academics and co-curricular activities. On time to time, the members of the Management Body evaluated the development and progress of the institution and help to bring about necessary changes and improvements in the college both financially and morally. Moreover, Parents and Alumni Meet was also held to invite the suggestions, feedbacks and any needful financial help if necessary in order to bring constructive changes in the institution

6.1.2 – Does the institution have a Management Information System (MIS)?

Partial

6.2 – Strategy Development and Deployment

6.2.1 – Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Admission of Students	An Admission Committee was formed by the Principal to see the smooth admission procedure and to fulfill the intake capacity of the college. The prospectus designed and updated by the committee was provided to the admission seekers. The committee invites

admission from the HSSC passed out students from local and remote villages. The admission form filled by the students was examined and verified by the committee members before approving the admission to the students. The institution follows the strategy of first come first served basis and also reserves few seats for the students coming from remote tribal areas. The category-wise admission format declared by the university was strictly followed by the institution. The final list of admitted students was displayed on the notice board for the student's perusal. All the information regarding the admission and the college prospectus were provided on the college website.

Human Resource Management

The Principal of the college is the chief of all departments and regulates the teaching and non-teaching staff activities as well as the administration part. The Head of every Teaching department manages the work and activities of their departments and the Head-clerk manages and regulates the non-teaching staff and their work. Whenever necessary, the vacant teaching and non-teaching posts are filled as per the UGC and Government norms by the management body. For the decentralization of the institutional work, the Principal has formed different committees and bodies. The faculties and non-teaching staff members are allowed to attend seminars, conferences and workshops in their respective fields for their personal development. A regular medical check-up camp is organized for the students and staff members and various sports activities and games are organized by the Sports department. The Self-Appraisal forms are collected at the end of the session from the faculties.

Library, ICT and Physical Infrastructure / Instrumentation

The library of the college is well equipped and spacious with necessary Text books, reference books and journals for the help of the students. This year the Library was enriched with 103 Text books, 04 reference books and 01 Journal. To inculcate and inspire the reading habit among the students, the Library department held a "Books Exhibition." The record of the books

issued and returned was kept properly by the Library department and a register was also maintained of the students and staff members who used the library facilities. A time table was prepared for distributing the working days among the classes for the smooth working of the library. A Reading Room, Computer facility and Xerox facility was made available for the students.

Research and Development

A Research Committee has been formed by the institution for encouraging the research work from the faculties. It advised to write at least two research papers and publish them in journals or seminar/conference proceedings. It also encouraged and helped the faculties to take leave for attending seminars, conferences, symposia and workshops in order to present their research work. The committee also makes allowances for the research guide/supervisors to register the research scholars under them. It also kept the reports and certificates of the attended seminars and publication as a record for maintaining the documentation demanded by the IQAC cell. Thus the committee helps the faculties in their personal and academic development.

Examination and Evaluation

This being an Yearly Pattern session, for the first half, two Unit-tests and one Terminal examination were held and the same followed in the second half of the session before the final exam of the university. At the end of the first and the second session, the Principal conducted a meeting regarding the completion of syllabus, result reports of the tests and terminal exams and the need of taking remedial classes. The records of the internal terminal exams and unit-tests were maintained by the concerned department. Prior to the final exam, a workshop was conducted on 'how to solve the question paper.'

Teaching and Learning

The Principal convened a meeting regarding the discussion of the curriculum and its effective implementation. The faculties were instructed to design their Yearly Teaching Plan of their respective subjects. They also prepared their daily teaching plan for effective delivery of the topics to be taught and also provided the necessary notes to the students as a help in their study.

	<p>The teaching plan comprised of various methods of teaching which was decided by the faculty and accordingly different audio-visual teaching tools were used. The faculties also conducted subject wise seminars to unit tests to check the knowledge-gain of the students.</p>
Curriculum Development	<p>As our institute is affiliated to the RTM Nagpur university, Nagpur, we follow the curriculum designed and approved by the university as there is no scope for curriculum development at the institutional level. The institution sends respective teachers to attend the seminars/conferences or workshops related with curriculum upgradation or redesigning on time to time. Strict compliance with the rules and regulations of the university regarding the curriculum and its objectives is observed by the faculty members. Accordingly the curriculum is taught as per the guidelines of the university without making any changes in it.</p>

6.2.2 – Implementation of e-governance in areas of operations:

E-governance area	Details
Planning and Development	<p>The Institution has a computer set up to provide the students and the staff members the necessary certificates, documents and other related information. The information providing system in the college is enhanced every year and attempts are made to improve it with the help of the feedbacks of the students and staff members to make it more effective.</p>
Administration	<p>The admission process and the official works are done with the help of computers. The records of the library books issue is also kept in a computerized format prepared for the same purpose.</p>
Finance and Accounts	<p>The Budget and expenditure of the college is well planned and computerized before the beginning of the session. The data of the daily expenses, fees collection, accounting and scholarships is maintained in a computerized format.</p>
Student Admission and Support	<p>The detailed information regarding the admission procedure is made available on the college website-sgbmmtumsar.org. The list of the</p>

7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

Practice -1 Following are two best practices for the academic session 2017-18 successfully implemented by the institution as per NAAC format. 1) Title of the Practice: Legal Guidance Program 2) Objectives of the Practice: To provide legal and constitutional guidance to the girl students by a reputed lady Police Officer. 3) The Context: Our girl students come from a very backward, underdeveloped and remote area of Bhandara district, so they lack knowledge and sufficient information about the legal matters and constitutional rights for the girls and women in general. At the age when they are expected to do something constructive in their lives, they should be provided an opportunity of knowing the Law field and getting information about the legal matters.so that they could defend themselves in conditions of difficulty. With this aim we organized a speech by a renowned lade Police Inspector Shri Kankale and social activist Vrunda Gaidhane who are working in the police departments and at the same time bringing about social awareness. More than 200 participants joined and got benefited by this program. 4) The Practice: A program especially for the awareness about Constitutional protection and Laws in favor of Women and

Children was organized by the NSS Department where the Legal Guidance was provided by Police Inspector Shri Kankale and social activist Vrunda Gaidhane. The program became a grand success and several girls took Dr Asudani's contact number to take further guidance. 5) Evidence of Success The coordinator of the program prepared a report of this motivational program and also took photos to be submitted and filed to IQAC. Practice -2 1) Title of the Practice Regular Sports Events and Practice 2) Objectives of the Practice To provide better sports facilities and opportunities for the girl students. 3) The Context The Physical Education department of the college hold regular practice sessions of the girls who are interested in indoor and outdoor games and sports, and their teams are also taken to participate in the university sports events. Events like Running, Boxing and Twikandoo has become a special attraction amongst the students and has also brought laurels to the college. 4) The Practice 5) The Physical Education Department held regular practice and rehearsal sessions for the students interested in different sports and games. It was the result of this practice that one of our students Ku. Mamta Halmare of BA Second year secured Fourth Place in Intercollegiate Cross Country organized by the RTM Nagpur university, First Prize each in Intercollegiate 1500 Meters and 5 km Walking Competition including Two Gold Medals securing on her name. Along with that, she secured Second Place in the Running Competition of 5000 Meters and grabbed a Silver Medal. She also represented Nagpur University in All India Cross Country Competitions held at Vishakhapattanam, Guntur where she secured Sixth Place in the game at National Level. 6) Evidence of Success The director of the physical education department has secure certificates of the students who won prizes in State and National level competitions and have also taken photos. She also prepared report of the sports events her team participated and submitted to the IQAC.

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

As per the Vision of the institution, the college is bound for quality education especially girl students from the nearby and remote areas. The institution makes every effort to provide proper amenities for the overall development of the girl students in the field of curricular and co-curricular. Our vision is not only to graduate them, but also to see them achieve success in their life. With the same objective, the institution has set its mission to develop all the skills of the girls admitted in the college related with sports, competitive exams, cultural and intellectual activities, professional skills, etc. To fulfill this vision, the college provides a platform and opportunities for their participation in various activities organized by the college to give them useful exposure. Accordingly, the college provided ample opportunities to the students who are interested in sports and athletics. The institution has become a destination for the students from sports background and is the first choice of the girls of surrounding area as far as sports facilities and practice sessions are concerned. The physical education department of the institution has been equipped with all the materials and facilities related with sports and various games. As a result, several students take part enthusiastically and spontaneously in sports activities of the college and practice regularly to compete in the university, Ashwamedh and National level competitions. This year, the Physical Department brought laurels to the college when one of our students, Ku. Mamta Maruti Halmare of BA Second year secured Fourth Place in Intercollegiate Cross Country organized by the RTM

Nagpur university, First Prize each in Intercollegiate 1500 Meters and 5 km Walking Competition including Two Gold Medals securing on her name. Along with that, she secured Second Place in the Running Competition of 5000 Meters and grabbed a Silver Medal. She also represented Nagpur University in All India Cross Country Competitions held at Vishakhapattanam, Guntur where she secured Sixth Place in the game at National Level. It is a matter of pride for the institution that our students guided by the Director of the Physical Department and the Principal, who saw that the skillful students in sports area are provided regular practice and due guidance from the eminent sports experts, went so far as to win first prizes in not one, but two athletic events. It is the dream of Mamta Maruti Halmare to join the Police Force in future and this phenomenal achievement will help her in fulfilling her dream. This was a successful initiative taken by the institution the fruits of which were tasted by the students in form of their success in sports and various other games. It is also a success of the Department of Physical Education of the college that every year it takes a lot of pains to bring forward the talented students in sports coming from rustic and remote areas, and organizes some motivational and outcome based guidance programs for the benefit of the

8.Future Plans of Actions for Next Academic Year

At the end of the academic session, a meeting was convened by the Principal to discuss the future plan of action for the academic session 2018-19. For that, a review was conducted with all the head of the departments including the non-teaching staff about the outcome of the previous year, that is, 2017-18. Based on the outcome of future plan of action for the successful working of the future academic year, different plan of actions were chalked out. To begin with, the design of prospectus, admission strategy, Timetable, Yearly Academic Teaching Plan, methods of evaluation, formation of various committees and allotment of workload accordingly, etc. will be prepared after much deliberation with the staff and the Principal. It was decided that meetings will be conducted with the heads of the departments to check the academic growth of the students. In keeping view with the overall development of the students, extra-curricular activities, participation in various university level games and sports activities, registration of NSS volunteers, organization of cultural activities. The Library facilities will also be updated and made well equipped with books, journals, magazines, dissertations and computer facility for the students as well as for the staff. Research atmosphere will be enhanced by allowing the faculties to participate and publish their research in conferences and journals for their personal and academic development. The faculties will also be given special leave with a view to encourage writing the books or translations. The decision was also taken to invite eminent personalities in various programs to be held in the next academic session so that the students may be benefitted with the guidance and speeches of those successful personalities. Apart from this, a special program will also be held for the guidance in the field of Competitive and other career related examinations and activities. A special emphasis will be put on the guidance on personality development and self-employment skills which will be dealt with in the above programs. The development of the infrastructure and other student's related facilities in the institution will also be taken care and a separate budget will be kept secure for this purpose. Side by side, a part of the budget will also be allocated to the augmentation of the college.
